The Cliff's Edge (songs of a psychotic)

## The Cliff's Edge Restaurant Silverlake

These poems are not a literary exercise in the worst sense or even in the best. Eithne Tabor was a psychotic. In these poems she writes of her own experience, with a precision that strikes one first as reportorial, then as scientific, and only then as poetic-tremendous emotion, tremendously under control. Almost unbelievable is the fact that most of the poems were written during her eighteenth year.
