

The background features a complex network of white nodes and lines, resembling a constellation or a data network. The nodes are of varying sizes and are connected by thin white lines. The overall color scheme is a gradient from dark purple at the top to a bright pink at the bottom. The text is centered and white, providing a high-contrast look against the background.

Mortal Instruments

By John Malcolm

Mortal Instruments Movie

Johnny Barber is a coffee connoisseur. He is also a sharp businessman with South American connections - his lover, Katie is the wife of an extremely powerful and ruthless South American capitalist. When a machine that can detect a potentially fatal coffee fungus is stolen, Lawrence Edwards, an official from the Department of Trade and Industry, secretly recruits Barber's assistance in tracking down those responsible. Johnny's hunch that more is at stake than simple theft is chillingly realized when Edwards and his associate are found dead in suspicious circumstances. There is big money in the coffee industry and lives don't cost very much. It's a painful discovery and one that will take him into South America and the murky depths of the international business community where people play by different rules and nothing is quite as it seems...
