Dark Tower: The Gunslinger - Evil Ground #2

By Robin Furth

Dark Tower The Gunslinger

Il sogno finisce, il Corno di El viene suonato, e Roland si avvia verso le tre porte.

Il passaggio dalla prima parte di questa storia Ã un po' troppo brusco, e anche la conclusione del sogno Ã un po' sconclusionata.

Si capisce che Robin Furth voleva sperimentare il racconto nel racconto nel racconto, ma laddove in altri episodi era riuscita efficacemente nel mescolare diversi piani temporali, in questo caso il gioco non riesce perchÃ© non aggiunge nulla alla storia principale e inserisce ulteriori Il sogno finisce, il Corno di El viene suonato, e Roland si avvia verso le tre porte.

Il passaggio dalla prima parte di questa storia Ã un po' troppo brusco, e anche la conclusione del sogno Ã un po' sconclusionata.

Si capisce che Robin Furth voleva sperimentare il racconto nel racconto nel racconto, ma laddove in altri episodi era riuscita efficacemente nel mescolare diversi piani temporali, in questo caso il gioco non riesce perchÃ© non aggiunge nulla alla storia principale e inserisce ulteriori elementi di backstory quando il lettore si sta giÃ pregustando la lotta di Roland con le aragoste. ...more

Dark Tower The Movie

I feel like I've been sleeping on devil grass myself. Not only Evil Ground is a completely useless story arc, but the second half is even worse than the first! Apart from one witty comment by Cuthbert the rest was rubbish.

There's a huge plot hole in this particular issue. Ready? ROLAND LEAVES HIS HAT TO A COMPLETE DEAD STRANGER! That's right! The dead stranger in nearby field wasn't dangerous at all as we expected (well, if you're accustomed to hosting ghosts at night at your campfire). Why would I feel like I've been sleeping on devil grass myself. Not only Evil Ground is a completely useless story arc, but the second half is even worse than the first! Apart from one witty comment by Cuthbert the rest was rubbish.

There's a huge plot hole in this particular issue. Ready? ROLAND LEAVES HIS HAT TO A COMPLETE DEAD STRANGER! That's right! The dead stranger in nearby field wasn't dangerous at all as we expected (well, if you're accustomed to hosting ghosts at night at your campfire). Why would Roland leave his hat? And why would Arthur Eld himself come to rescue ka-tet from.. ghouls? Apparently the Great Knight was on holiday when Gilead was falling. ...more

This was still absolutely pointless and a bit confusing, what with all the ghosts and ghouls casually playing cat and mouse on the ruins of an ancient castle (that we learnt nothing about). I did enjoy illustrations by Dean White, though, his colouring and overall techniques are breathtaking, especially used in a comic book. He's worked on only one page in this issue, however, and a few more for the Evil Grounds #1, so I'll definitely go look for other graphic works of his. Hopefully Dark Tower- This was still absolutely pointless and a bit confusing, what with all the ghosts and ghouls casually playing cat and mouse on the ruins of an ancient castle (that we learnt nothing about). I did enjoy illustrations by Dean White, though, his colouring and overall techniques are breathtaking, especially used in a comic book. He's worked on only one page in this issue, however, and a few more for the Evil Grounds #1, so I'll definitely go look for other graphic works of his. Hopefully Dark Tower-related.

All in all, Evil Grounds is probably the only story arc in those graphic novels so far that I would suggest to skip. ...more

Dark Tower: The Gunslinger - Evil Ground #2

Dark Tower The Wastelands

Very weak writing and art.

Pretty unnecessary story arc
