## The Gray Book Of Favorite Songs

Available exclusively to Sony Reader Store customers: The Gray Book of Runes from The Mortal Instruments: City of Bones.

## The Gray Book Shadowhunters

The official Gray Book of Runes used on-set in the major motion picture The Mortal Instruments: City of Bones--in theaters August 21, 2013 starring Lily Collins and Jamie Campbell Bower--is available exclusively at Reader Store as an eBook download.

## The Gray Book Runes

The book was created as a fundamental prop for the movie and showcased in a key scene. The book contains twenty Runes, a note on their significance, along with its Latin translation.

## The Gray Book Runes Pdf

In The Mortal Instruments, Runes were markings given to the first generation Shadowhunters by the Angel Raziel to fight Demons; they are what make Shadowhunters different from average humans. Every Rune known has been recorded in the original Gray Book, an extremely rare and valuable book that must be specially made as the markings will burn regular paper.
