

The background features a complex network of white nodes connected by thin purple lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming larger, more prominent clusters.

The Mortal Instruments Extras

By Cassandra Clare

The Mortal Instruments Movie

...he wondered if it was only in the act of falling that one could be truly free.

I know the feeling all too well. When you think about it, it's paradoxical, because when you're falling you have no control over what's happening to you. But then falling is like letting go, isn't it? And letting go is a freedom of sorts.

It was nice seeing things from different characters' perspectives, especially getting into Sebastian's mind.

The Mortal Instruments Books

Maĩ; chvĩ-Ä¾ka nostalgie, pretoÅ¾e mi vÅ½etci uÅ¾ zaÄ• ali chĩ½baÅ¾ a nemĩjm Ä• as na re-reading vÅ½etkĩ½ch dielov. :D

Necesitaba leer algo asĩ-. No puedo creer que, a estas alturas, todavĩ-a existan historias que no he leĩ-do como el "nacimiento" de Sebastian o las escenas extra Clace. Es para matarme. Ahora sĩ-, me han encantado. Supongo que esto soy yo, queriendo releer la saga entera.

The Mortal Instruments Cast

The 4th star is sorely given for Magnus and Alec's first kiss!!

Reading this was really confusing: some of the scenes were so short that by the time I remembered them/could place them in the books they were over. Also the changed stuff I could do without. I enjoyed reading scenes from a different character's POV and the absolutely best one (and one of probably 2 that I actually remember from this collection of extras) was Magnus & Alec's kiss, that was really cute. Magnus rules, as always!

The Mortal Instruments City Of Bones Cast

Some good stories. I really enjoyed seeing Jonathan become Sebastian. Interesting to see from his point of view. Also interesting to see from Jace's point of view. Nothing in these changes the course of the books but they are nice little snippets of the shadow hunter world.

Loved the additions! Very nice and I thoroughly enjoyed them all! Made me happy for MALEC!!! hehe my favourite couple, of course! It was awesome! Nothing short of spectacular!!! Kudos to Cassandra Clare!!!!
