The Walking Dead, Issue #176

# The Walking Dead, Issue #176

By Robert Kirkman

## The Walking Dead Season 10

Well, that was a short one. But it was one of those rare moments where something positive happens in The Walking Dead. Can't wait for next month!

## The Walking Dead Season 9

I think at this point I can safely say The Walking Dead is probably my favorite comic series of all time. It's just so consistently excellent, & this issue is further proof of that in my opinion.

A happy TWD issue is exactly what I needed rn

## The Walking Dead Cast

Ú†Ù,Ø⁻Ø± Ø¨ÛÆÙ...Ø²Ù‡ Ø´Ø⁻Ù‡! Ø¨Ø¹Ø⁻ Ø§Ø² 176 Ù,Ø³Ù...Øª! Ú†Ù,Ø⁻Ø± Ø¨ÛÆâ€ÆÙ...Ø²Ù‡ Ø´Ø⁻Ù‡! Ø¨Ø¹Ø⁻ Ø§Ø² 176 Ù,Ø³Ù...Øª! ...more

Reunited and it feels so good...

The Walking Dead, Issue #176

## The Walking Dead Comic

An unusually optimistic issue of the Walking Dead although it seemed a bit scant on content, it felt like I read it in 5 minutes!

This is lame. Two pages-worth material.

## The Walking Dead Movie

An uncharacteristically positive but much appreciated issue of TWD.

We go a little further into the "commonwealth" and I remain very skeptical about it. It seems like a well functioning society, and I don't think it's going to be like 'actually they're cannibals!!!' or anything THAT crazy. But there must be some sort of dark twist. Is it weird for me to want there to be one?

I love that Michonne is getting this arc and I hope it gets all the page time it deserves!

So far so good for the commonwealth and oh wow what a nice end, poor Michonne Finally. Loved this issue barring some exposition from the probably new bad guys.

It's no wonder The Walking Dead is a legendary series, it truly deserves all the praise it can get. I love The Walking Dead and it's style. It's wonderful and I love the journey taken with Rick and the group as they roam the wasteland in search of life and stability. I have always loved comics, and I hope that I will always love them. Even So far so good for the commonwealth and oh wow what a nice end, poor Michonne Finally. Loved this issue barring some exposition from the probably new bad guys.

It's no wonder The Walking Dead is a legendary series, it truly deserves all the praise it can get. I love The Walking Dead and it's style. It's wonderful and I love the journey taken with Rick and the group as they roam the wasteland in search of life and stability. I have always loved comics, and I hope that I will always love them. Even though I grew up reading local Indian comics like Raj Comics or Diamond Comics or even Manoj Comics, now's the time to catch up on the international and classic comics and Graphic novels. I am on my quest to read as many comics I can. I Love comics to bit, may comics never leave my side. I love reading this and more, you should also read what you love and then Keep on Reading. ...more

## The Walking Dead Game

Here's the Hook:

My first The Walking Dead comic, and no zombies or guts, but this issue did have a lot of heart! In this edition, not only do we meet the apparently long-awaited governor, but we are also introduced to a new relationship that was so compassionately illustrated that it brought tears of actual joy to my eyes, despite my not having a ton of context for the scenes. A great issue for those who connect with the powerful Michonne and like their comics with some heartstring pulling inclu

This was a very anti climatic issue. We met the governor (UHOH) of the Commonwealth and had a special meeting at the end. However, there are some disturbing interactions with Stephanie. I wonder if its some sort of Communistic community.....I know I said it's anti climatic, but I know this is part of a much larger story build up.

## The Walking Dead Episodes

Michonne and company meet the governor of a well functioning city and get a big surprise.

Although this was an uncharacteristically positive issue, it was also an anticlimactic one as well. It seemed much shorter than previous installments and we really didn't learn much about this new group. Even with the happy ending, I couldn't help but feel a lack of satisfaction.

Michonne said it best when she said the meeting with this new governor couldn't have gone by fast enough. I feel like this could've been just half an issue. I do like what little developments we get here though.

## The Walking Dead Wiki

Nice to have a genuinely upbeat ending to an issue; definitely makes me wonder whether it's next issue or the one after where everything turns out to be a fiery hellscape of dystopian torture and nightmares.

Single focused issue. We another glimpse inside life at The Commonwealth and Michonne meets her daughter.

# The Walking Dead Season 8

## Addiction

Shades of Alexandria amped up on utopian steroids with a female Megan type. I will always give any walking dead title 5 stars

Loving the Michonne story incorporated in this new story arc!

The Walking Dead, Issue #176

# The Walking Dead Season 9 Episode 1

The Walking Dead #176

Getting to know a little more about the Commonwealth, I'm getting bad vibes and I'm excited to see how Michonne's story plays out!

Really gripping. I can't wait until the next one comes out!
