

The background features a complex network of white nodes connected by thin white lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming larger, more interconnected clusters than others.

THE ORDER HAS CHANGED.

This is now book #3 and no longer #2.

So happy to finish the series with Vaughn and his mystery girl, and not that piece of shit. [Edit: Not anymore. There's a 4th book *eye roll*.]

I hope you all will stop talking about Luna now, lol.

Thank fuck she decided to release Knight and Luna's story first.

Edit: May 5, 2019

Just finished *Pretty Reckless* and I'm actually interested in this (for now). Can't say the same about Knight...

Omg stop saying it's Luna. Did Edit: May 28, 2019

Omg stop saying it's Luna. Did we read the same book? And I hope Shen is smarter than this.

But anyway, from *Pretty Reckless* ICYMI: it's our entire football team, cheer team, Mom, Dad, Bailey, Via, Knight, Luna, Vaughn, and a girl I don't know but have heard all about.

1. It is not Luna.
2. Daria does not even know the girl.

Angry God

3. Thank fuck.

Of course Luna deserves better than Knight (duh), but after *Pretty Reckless* it can't be Vaughn. Just no.

Now Cadence, "Daria's best friend" who was messing around with Knight in the extended epilogue of *Vicious* at the end of *The End Zone* and some say it's her, *eye roll*. Well...

She does not exist, lol. Daria has no friend with this name.

This is probably the reason why the epilogue is no longer available.

Look, anyone is good as long as it's not Knight's leftover or "love". Period. Fuck history repeating itself.

Vaughn: "œI mean, you and uncle Dean even dated Mom almost at the same time, didn't you? That's some modern shit right there. I guess I'm an old-school kind of guy. Sharing is not my jam."

Hopefully Vaughn's bff won't fuck the girl he wants and he won't fuck his bff's ex.

I might like him...

Hauntingly Beautiful. Completely Unexpected. Vaughn crept up on me, and broke me down. He owns my heart.

Full review to come.

after seeing bits of vaughn in pretty reckless, consider me adequately intrigued!! if history were to repeat itself with vaughn, knight, and luna, please let vaughn be the one who ends up with luna. i mean, imagine how epic the light/dark dynamic is going to be!! not that i have anything against knight. also, when will we get a cover???
