

The background features a complex network of white nodes connected by thin purple lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming distinct geometric shapes like triangles and quadrilaterals. The overall aesthetic is modern and technical.

Triple Cross

By J.R. Roberts

Triple Crossing

Passing through Wider's Canyon, Clint Adams befriends a medicine man with a so-called miracle cure. But Clint is the only friend the Professor has--everyone else is after him for cheating and thieving. The Gunsmith knows the Professor has done wrong, but he can't stand by and let a friend get killed. The problem is, besides being a thief and a cheat, the Professor's a fool. And in Wider's Canyon, fools die hard--and so do their friends. Original.
