

The background features a network diagram with white nodes and lines on a purple-to-pink gradient. The nodes are connected by thin white lines, forming a complex web. Some nodes are larger than others, and the overall structure is somewhat irregular and organic. The gradient transitions from a deep purple at the top to a bright pink at the bottom.

# Cliff's Edge

By Lori Beam

## Cliff's Edge La

I just finished reading Cliff's Edge by Lori Beam for Dorrance Publishing Co. The book is set in the 1600s. There is a lot of aquatic references and scenes. There is also a lot of fornication. The books is a cross between Pride and Prejudice, Pirates of the Caribbean and a Harlequin novel.

Megan is a teen who falls in love with Captain Gared Brightton. Their romance is short lived as Gared and Megan grow apart. Megan sets out to travel back to her original homestead. Upon traveling, Meagan meets I just finished reading Cliff's Edge by Lori Beam for Dorrance Publishing Co. The book is set in the 1600s. There is a lot of aquatic references and scenes. Megan is a teen who falls in love with Captain Gared Brightton. Their romance is short lived as Gared and Megan grow apart. Megan sets out to travel back to her original homestead. Upon traveling, Meagan meets the divine Captain Robert Ridgley as well as his first mate Porter. It's a love triangle full of emotions!

I don't know what quite to say about the book. I love the story. It's a well written book. I like pirates. They are hot and sexy. I am not a fan, however, of detailed acts of sex. It's largely my fault. The summery on the back of the book clearly says, "...a story of love and lust, rape and revenge, treachery and betrayal..." I just assumed the book was rated PG-13, and it's more of an R (or X).

This was my first erotic fiction novel. If you need a good blush in the cheeks, this is a great book! I know there are lots of women (or men even) who'd love this erotic story about pirates. ...more

## Cliff's Edge Hotel

I have mixed feelings about this book published by Dorrance Publishing. The book seemed choppy and did not transition well. I found myself lost and confused many times. Megan, the main character, frequently talked to a "ghost" Lianne for advice. The book never explained why she did that or elaborated about that. Was it her conscience talking?

It was confusing the way Megan floated between the men in the story. For most of the book, I believed that she genuinely loved Gared. She ended up with Rob I have mixed feelings about this book published by Dorrance Publishing. The book seemed choppy and did not transition well. I found myself lost and confused many times. It was confusing the way Megan floated between the men in the story. For most of the book, I believed that she genuinely loved Gared. She ended up with Robert Ridgely. He abused her twice. I find it hard to believe he was her "true love".

The historic person that they met in the end was a pleasant surprise. I liked the way the author tied this person in to the story. I will not give his name because I do not want to spoil the book. I think the author should have introduced this person earlier in the book.

If you are interested in reading this book, it can be purchased at Dorrance Publishing at the following link:

Cliff's Edge by Lori Beam is a convoluted story of a young woman who lost her innocence to a sea captain. In my opinion the story is thinly written, the characters are poorly developed, and scene transitions are rough.

Th author attempted to create a 'coming of age' story with a strong, willful heroine, who overcomes a male dominated society and triumphs against horrendous odds. It is an interesting story concept that deserves to be fully developed.
