Eldritch Abomination - TV Tropes Physically, the Eldritch Abomination is only defined by seeming somehow "off", hinting at their incomprehensible nature. They can range from humanoid to animalistic to physically impossible to inconceivably bizarre. However, common physical characteristics include similarities to internal organs, genitalia, animals with tentacles, or celestial bodies. Theories - Mandela Effect Which theories & explanations make the most sense? So far, the two leading theories are that we're "sliding" between parallel (or similar) realities, or that we've visited holodecks (and may be in one, right now) that have some glitches. However, those concepts are broad. I've been trying to narrow the possibilities.
