

The background of the entire page is a gradient from dark purple at the top to a bright pink at the bottom. Overlaid on this is a complex network diagram consisting of numerous white circular nodes of varying sizes, connected by thin, light purple lines. Some nodes are larger and act as hubs, with many lines radiating from them. The overall effect is that of a digital or neural network.

## A Life Of Illusion

A Life of Emily Brontë by Edward Chitham - Goodreads the author had a theory that Emily, at the Brontë's first school, Cowan Bridge, somehow refused to help her older siblings at a time where they were being unjustly punished and that this punishment contributed to their tragic deaths soon after they left the school, and that Emily subsequently carried guilt for her inaction her entire life. This is used as the reasoning behind any guilt Emily Brontë | Poetry Foundation The only poems by Emily Brontë that were published in her lifetime were included in a slim volume by Brontë and her sisters Charlotte and Anne titled Poems by Currer, Ellis, and Acton Bell (1846), which sold a mere two copies and received only three unsigned reviews in the months following its publication. The three notices were positive, however, especially with respect to the contributions.
