From Fear to Hope in Cancer Recovery "Wellness Matters Getting breast cancer many years ago was devastating for me for many reasons. The most disturbing reason: Conventional doctors could not tell me what caused the disease, except for my taking hormones for 10 years. Being a take charge kind of person, I refused to feel like a victim to cancer. I did. A 30 Second Meditation to Keep You Centered In Any Situation A former holistic mental health counselor, she has been helping people transform themselves and their lives for 30 years. In her book, A Lighter Side to Cancer "From Wake-up Call to Radiant Wellness, she shares her uplifting and empowering adventure through breast cancer twelve years ago. She feels blessed with great health, special.
